

Facilities and Services for Students with Disabilities

In certain situations, students may find themselves in need of accommodations while attending Gogebic Community College. Disability Services exists to provide these accommodations, as well as access to programs, services, and activities to qualified students with known disabilities, as required by Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act (ADA).

Qualified students are individuals who:

- have a physical or mental impairment that substantially limits one or more major life activities.
- have a record of such an impairment or are regarded as having such an impairment.
- meet the essential eligibility requirements, or technical standards, for academic programs.

If you believe that you need academic accommodations for a disability that qualifies under the Americans with Disabilities Act and Section 504 of the Rehabilitation Act, please contact Jessica Leinon-Novascone in the Office of Disability Services, located in office T105C of the ACES Center, call 906.932.4231 x 237, or e-mail jessicaln@gogebic.edu to discuss your needs and the process for requesting accommodations. This office is responsible for coordinating disability-related academic accommodations and will issue students with verification letters as appropriate. Since accommodations may require early planning and generally are not provided retroactively, please contact the office as soon as possible.
