

TITLE: SEX OFFENDER REGISTRATION

Federal law requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a state concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a state to provide notice of each institution of higher education in that state at which the person is employed, carried a vocation, or is a student.

In the state of Michigan, convicted sex offenders must register with the Public Sex Offender Registry maintained by the Michigan State Police. The Michigan State Police Public Sex Offender Registry can be found at: <http://www.mipsor.state.mi.us/>
