

TITLE: INSTITUTIONAL STUDENT SUCCESS INITIATIVE

The Board of Trustees affirms a commitment to the development of a comprehensive student success system that will:

1. Be ongoing and an integral part of the total institution
2. Involve a broad base of the College community
3. Lead to improved services and outcomes for students

The Board of Trustees further recognizes that student success requires broad engagement and commitment from all areas of the College.

Appropriate College officials are directed to take all necessary action to implement this commitment and to provide an annual report to the Trustees on progress in this important area.
