

TITLE: TUITION

Tuition rates are established by the Board of Trustees for Gogebic County residents, Out-of-District Michigan residents, Out-of-State, Out-of-State Wisconsin Reciprocity residents, and International students.

Tuition charges for partial credit courses will be based on the next higher full credit charge.

Senior citizens: Adults aged 60 or older who live in Gogebic County may take GCC credit courses tuition free provided there is space available. Seniors who live outside Gogebic County may take GCC credit courses for the difference between the in-district and out-of-district or out-of-state rates. All seniors are required to pay relevant institutional and course fees, purchase course textbooks and classroom supplies, and adhere to customary academic expectations. Courses available are at the discretion of Gogebic Community College. Senior citizens are not eligible to take courses in programs that are at enrollment capacity.

Courses offered as C.E.D. or workshops (except that portion of the workshop that may be offered within the normal tuition structure) are offered on a cost plus basis as determined by the administration and available at the time of registration. All students, including senior citizens will pay the established rates for these offerings
