

TITLE: **PERSONNEL: EMPLOYMENT POLICY**

It is the policy of the Board of Trustees to recruit and appoint the best qualified applicants available without discrimination as to age, sex, color, religious belief, national origin, race, height, weight, marital status, or handicap. It shall be the policy of the Board of Trustees to hire personnel upon the recommendation of the President.

The Board of Trustees also recognizes the right of permanent full-time and regular part-time employees to bargain collectively and agree that any negotiated agreements between the Board of Trustees and recognized bargaining units shall supersede any rules or regulations which are inconsistent with the terms of said agreements and any Federal and State laws.
