GCC Veteran Request for Benefits

THIS IS IMPORTANT INFORMATION REGARDING YOUR VA EDUCATION BENEFITS:

Changes in course enrollment after the last day to drop and add courses may result in the retroactive loss of benefits unless the VA finds mitigating circumstances involved in the change. Loss of benefits could revert back to the first day of the term.

You will only be paid for those courses that meet degree requirements in the educational program on file with the GCC Veterans Office.

Chapter 30, 1606, 1607 must verify continued enrollment at the end of each month of the semester by web or toll-free number to receive payment of educational benefits.

Visit <http://www.benefits.va.gov/gjbill/> or call 1-877-823-2378.

Please CHECK after reading each item:

- EACH TERM I must report my registration and any changes (i.e. drop/add) in my enrollment to the GCC Veterans Certifying Official by completing the GCC Request for Benefits form or drop/add form depending on the situation in order to receive my benefits.
- I must be enrolled in an approved program of study that leads to a standard degree or certificate and have all prior (official) transcripts on file at GCC.
- I understand that I will not be paid by the VA for classes previously passed at GCC or other institutions.
- I will ensure that the classes I am taking are required by my program.
- I understand that I must make satisfactory progress toward graduation.
- I understand that counselor advisement/error is not an acceptable reason for taking classes not applicable to my program.
